

## Program Management Office (PMO) Services

### SaaS enabled Program, Portfolio and Project Management

We only get one chance to get it right.

An organization's PMO is their internal insurance mechanism to provide confidence that large-scale initiatives are properly planned for and executed according to the plan.

BridgeView's experienced team employs proven processes and technology to bring your vision to reality.

#### Project Management Certified Experts

Our PMO team members have 15+ years Life Sciences operations experience on average.

- PMP, SDLC & AGILE practitioners
- All team members are PM Certified
- Real-world experienced in:
  - Commercial Operations & Analytics
  - Information Technology
  - Marketing Operations
  - Medical Affairs Operations

#### CommandBridge<sup>™</sup> PMO SaaS

Department leaders and executives use CommandBridge<sup>™</sup> as their source of truth across projects. Their role-based dashboards provide consistent, transparent, insights into status and risks so they have the intel needed, to keep their initiatives on track.

- Eliminate preparing PowerPoint summaries
- Manage risks w/ consistency & transparency
- Built on Smartsheet.com

#### Smartsheet Certified Professionals

 **smartsheet** | aligned  
 **Silver Partner**

- PMs are Smartsheet certified
- HIPAA & SOC certified platform
- 10,000,000+ users worldwide

## From Vision Through Support

As your IT partner, we begin with a comprehensive understanding of your objectives and strategies, then design, execute and support a Data, Technology and Operations program suited to arm your organization with the capabilities needed for trusted insights and success.
